Q. 1 What is Ohio EBT?

Ohio EBT (Electronic Benefits Transfer) is the electronic distribution of food assistance benefits. Benefits are accessed with the Ohio Direction Card. The Ohio Direction Card is similar to commercial debit and ATM cards; it has a unique sixteen-digit account number and your name embossed on the front, and a magnetic stripe on the back. Your card only works with a four digit Personal Identification Number (PIN) which you select. You can use your Ohio Direction Card to buy eligible groceries at stores and farmer’s markets taking part in the Ohio EBT Program.

Q. 2 How do I get my food assistance with the Direction Card?

Each month you are eligible for food benefits, your benefits will be added to your Ohio Direction Card account. This happens automatically, much like a bank account. The benefits in your food account are available on your scheduled date each month, and if you do not use all or any of your food benefits by the end of the month they will stay in your account and you can use them the next month. As you use your benefits, the balance will go down. You can call the toll free number (1-866-386-3071) on the back of your Ohio Direction Card anytime to find out your balance. You may also access your information online at www.ebt.acs-inc.com.

Q. 3 When do I get my food assistance?

Your food benefits are available on your Ohio Direction Card on your scheduled date each month. You will need to check with your county office to find out which day you receive your benefits. If the day you receive your benefits for any month falls on a weekend or holiday, your benefits are still available on that day.

Q. 4 What does my Ohio Direction Card look like?

Your Ohio Direction Card is a blue and silver plastic card. It has your name and a unique 16 digit card number embossed on the front of it, and a signature stripe, magnetic stripe and customer service information on the back. A picture of the Ohio Direction Card is above this FAQ.

Q. 5 What is a PIN?

PIN stands for Personal Identification Number. A PIN is the four number secret code you choose when you get your Ohio Direction Card. The PIN is how the system identifies you. When you first receive your new magnetic stripe card, you will need to call the toll free customer service number (1-866-386-3071) on the back of your card to select your PIN. You will need your card number, social security number and birth date.

Q. 6 How do I remember my PIN?

Choose four numbers that are easy for you to remember, but hard for someone else to figure out. Keep your PIN a secret. Don't write your PIN on your card. Don't keep your PIN in your wallet or purse. If you forget your PIN call customer service at 1-866-386-3071 and select a new PIN before you go to the store. If you enter the wrong PIN at the store, the machine will deny your transaction. After four wrong PIN attempts your card will not work until after midnight, unless you call customer service to reset your PIN.
Q. 7 How do I use my Direction Card?

• **Step 1** Before you shop, check your balance by checking your last receipt or by calling customer service at 1-866-386-3071. This balance will be the most you can spend with your Ohio Direction Card. You can also access your account online at www.ebt.acs-inc.com.
• **Step 2** Make certain to go to a grocery store that displays the Ohio Direction Card sticker. If you are not sure, ask at the customer service desk before you shop.
• **Step 3** Choose your groceries and go to a check-out lane. You or the cashier will swipe your Ohio Direction Card through the machine.
• **Step 4** You must enter your secret 4 digit PIN on the machine’s PIN pad. Never tell the cashier or anyone else your secret PIN. Never ask the cashier to enter your PIN for you.
• **Step 5** The machine prints a receipt with your purchase amount and the amount of benefits you have left in your account.
• **Step 6** Remember to take your card and your receipt with you when you leave.
• **Step 7** Keep your receipt so you will know your new balance the next time you shop.

Q. 8 What if I forget my PIN?

If you are in the grocery store and enter the wrong PIN, you have three more chances that day to enter the correct PIN. If you don't enter the correct PIN on the fourth try, a "lock" is put on your card after the fourth attempt. You may try again after midnight, or you can contact customer service at 1-866-386-3071 to "unlock" your card. If you can't remember your PIN, contact customer service at the 1-866-386-3071 to select a new one. You should also select a new PIN if you think someone else knows your PIN.

Q. 18 What if the store does not have a POS terminal or the POS terminal is not working?

The cashier can use a paper voucher and call the Retailer customer service number to get a telephone approval for your purchase. The cashier fills out the voucher and will need some information from you such as your name and your card number to complete the voucher. Once the cashier has completed the voucher and obtained an approval, you must sign the voucher form. Make sure the amount charged to your account is correct. The cashier will give you a copy of the voucher-keep this copy for your records. Some stores that don't have the EBT machine, for example, a farmer's market may also use paper vouchers.
Q. 19 What if I don't want to use all of my benefits in one month? ➤ Return

Your food assistance benefits are made available in your account each month on your designated day. Any benefits you use are deducted from the first benefits that were made available to your account. Food assistance benefits you do not use stay in your EBT account until you use them, HOWEVER If your F assistance benefits are not accessed in 365 days from the time they were issued, the F assistance benefits will be removed and you will lose them. Your account is considered accessed if you make a purchase, but not if you only check your balance.

Yes, the card can be used in all other states and U.S. territories.

Q. 28  What if I don’t have enough available on my card to cover all of my grocery purchases?  

The new card is just like a debit card; if you try to use your card for a transaction of $70, but you only have $10 in your EBT account, you cannot make the purchase. It is important that you check the balance on your card before you shop to avoid embarrassment.

Q. 29 Is there a minimum or maximum transaction amount for an EBT transaction?  

There is no minimum dollar amount per food assistance transaction nor is there a maximum limit on the number of food assistance transactions that you can make.

Q. 30  I believe the store overcharged me, or made a mistake. What can I do?  

First, try to resolve the situation with the retailer. If you are not successful, adjustments may be made to your account to correct for any errors that may occur. Call Customer Service at 1-866-386-3071 to report an error or if you have a question about a transaction.
